FAIRER FUNDING FOR ENFIELD

A cross-political party Petition addressed to the Secretary of State, Department of Communities and Local Government and the Chancellor of the Exchequer.

We, the undersigned residents of the London Borough of Enfield, call upon central government in future to:
PROVIDE a fair share of funding for Enfield using the latest data with no reductions
RECOGNISE that under the "floor damping" scheme first introduced by government in 2002 -3 Enfield's grants have been scaled back by some £100 million to help other councils.
ACKNOWLEDGE Enfield's proven needs with a growing and diverse population which is now the 12th most deprived borough in London.
