

Everyone who lives, works, learns, plays in Enfield will be affected by **Enfield Council's Local Plan**. It will shape the physical, environmental, social and economic landscape locally for decades to come.

The Council has promised that councillors will “engage with businesses, communities and residents”. **So please write to your local councillors to ensure this happens.**

Ask them to set up a Ward Forum in February to discuss the Local Plan and what it means for you.

Evidence that complements the proposed Local Plan, for instance about housing targets or the exceptional case made for releasing Green Belt land, has not been published. Perhaps ask your councillors to lobby for an extension to the Regulation 19 consultation period of 6 weeks, making 12 weeks in all. The extra time allows a thorough examination of this new evidence.

Please bcc actionforenfieldsfuture@gmail.com Over the next few weeks we will be publishing questions that you might want to ask your councillors at your ward forum

We all have a part to play in determining the contents of the plan. Enfield is our home, we belong here, and we have just eight weeks in which to let our councillors know what we think before March 6 when they vote on the plan at Full Council. The table contains the information you need.
